

Sweethaven's Safari

Summer Camp 2016

**Designed for students entering
First Grade!**

Exploring the animal kingdom and its Creator in our fun-filled summer program!

Curriculum: Learn about God's creation and our responsibility.

Arts and Crafts: Enjoy learning many different craft techniques.

A Beka Summer Reading Program: Build on what you have learned in K5 reading class! This is a great way to maintain reading skills and stay motivated.

Visiting Guests: Meet many local professionals and organizations who will join us to provide age appropriate activities.

Computer Class: Learn new computer skills while enjoying theme-related games in the Computer Lab!

Summer Camp is contractual for June 15 through August 24.

Sign up in the Business Office today. Space is limited, and classes will fill quickly.
